R&C Engineers and Associates,
318, HUDA, Pundri, Kaithal, Haryana – 136026

Subject: Experience/ Appreciation Letter for R&C Engineer Associates - 12MW Turbine Dismantling and Erection Project

I am pleased to extend this letter to attest to the exceptional performance of R&C Engineer Associates during the 12MW SHINNIPON MAKETurbine Dismantling and Erection Project conducted at Shinveri Sugars LTD., Nhavi (BK.), Koregaon, Satara, Maharashtra. This project, carried out under Purchase Order No. PEW22-23/53 for dismantling and PEW23-24/02 for erection, spanned from 6th September 2023 to 6th October 2023.

R&C Engineer Associates exhibited an outstanding level of professionalism, technical proficiency, and dedication throughout the project. The tasks undertaken included the erection of the 12 MW Shinnipon make turbine and alternator, alignment of high-speed and low-speed couplings, as well as the erection of the oil tank and GVC, along with the connection of oil pipelines.

Key achievements and contributions of R&C Engineer Associates during the project are highlighted below:

1. **Turbine and Alternator Erection:** The team expertly executed the erection of the 12MW turbine and alternator, ensuring precision and adherence to engineering specifications.
2. **Couplings Alignment:** R&C Engineer Associates demonstrated meticulous attention to detail in aligning high-speed and low-speed couplings, a critical aspect for the efficient and reliable operation of the turbine system.
3. **Oil Tank and GVC Erection:** The erection of the oil tank and GVC was carried out with precision, meeting safety standards and environmental regulations. The team's proficiency in handling these components contributed significantly to the overall success of the project.
4. **Oil Pipeline Connection:** The team skillfully connected the oil pipelines, ensuring a seamless flow and distribution of oil throughout the system. This meticulous work contributed to the reliability and performance of the turbine.

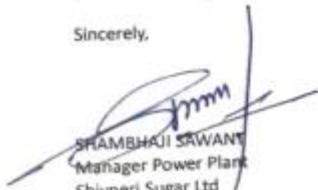

Throughout the project, R&C Engineer Associates exhibited excellent project management skills, problem-solving abilities, and a commitment to meeting project timelines. Their attention to safety protocols and adherence to quality standards were commendable.

I would like to express my sincere appreciation for the hard work and dedication demonstrated by R&C Engineer Associates during this project. Their expertise played a crucial role in the successful execution of the Turbine Dismantling and Erection Project.

If you require any further information or references regarding the performance of R&C Engineer Associates, please feel free to contact us. We highly recommend R&C Engineer Associates for any future projects, confident in their ability to deliver exceptional results.

We wish R&C Engineer Associates continued success in their endeavors.

Sincerely,

SHAMBHUJI SAWANT
